

INTERSTATE MEDICAL JOURNAL.

VOLUME X.

JANUARY—DECEMBER, 1903.

ST. LOUIS, MO.:

INTERSTATE MEDICAL JOURNAL CO.

EDITORS:

WILLARD BARTLETT, M. D.	H. McC. JOHNSON, M. D.
MALVERN B. CLOPTON, M. D.	JESSE S. MYER, M. D.
HUGO EHRENFEST, M. D.	WARREN B. OUTTEN, M. D.
MARTIN F. ENGMAN, M. D.	WILLIAM E. SAUER, M. D.
ALFRED FRIEDLANDER, M. D.	SIDNEY I. SCHWAB, M. D.
JOHN GREEN, JR., M. D.	ALBERT E. TAUSSIG, M. D.
CARL FISCH, M. D.	

OTHO F. BALL, M. D., Managing Editor.
E. J. GOODWIN, M. D., Associate Managing Editor.

COLLABORATORS:

MAX MICHAELIS, M. D., Professor of Internal Medicine, University of Berlin, Germany.	JULIUS NEUMANN, M. D., Docent of Obstetrics and Gynecology, Univer- sity of Vienna, Austria.
FRANZ VON NEUGEBAUER, M. D., Chief of Gynecologic Department Evangelical Hospital, Warsaw, Russia.	JULIUS SCHNITZLER, M. D., Docent of Surgery, University of Vienna, Aus- tria; Surgeon-in-Chief, Franz Joseph Hospital, Vienna.
HEINZ WOHLGEMUTH, M. D., Berlin, Germany.	

INDEX.

ASTERISKS (*) DENOTE ORIGINAL CONTRIBUTIONS.

A		
SUBJECT	AUTHOR	PAGE
Abdomen, penetrating wounds of.....	Gebele.....	565
hernia of pancreas and injury of stomach.....	Fontoynot.....	111
Abductor reflex.....	Schuller.....	626
Abscess of appendix, simplicity in dealing with.....	Tupper.....	307
of brain, differential diagnosis of acute and chronic by means of encephaloscope*.....	Whiting.....	581
of liver.....		
of liver—subdiaphragmatic.....	Girard.....	273
paraurethral, trikresol in.....	Mendes.....	490
Achilles-jerk and front-tap.....	Heidingsfeld.....	291
Acne vulgaris, etiology of.....	Walton and Paul.....	353
Actinomycosis hominis in America, report of six cases.....		243, 270
Actinomycotic appendicitis.....	Erving.....	109
Active substances in normal serum.....	Thevenot.....	111
Activity of milk glands.....	Remy.....	568
Address of welcome to Professor Lorenz.....	Schlossmann.....	570
Adenoma sebace circumscrip.....	Wilson.....	100
Adenomatous changes in mucosa of uterus and tubes and the pathologic-anatomic significance.....	Audry.....	578
Adenoid vegetations in naso-pharynx; new instrument for removal.....	Meyer.....	498
Adenotomy and tonsillotomy, bromide of ethyl in.....		
Adrenalin and local anesthesia.....	Moller.....	408
Albumin and casts in surgical patients.....	Solenberger.....	293
Albumins, coagulable by heat, in cerebro-spinal fluid of dementia paralytica.....	Honigmann.....	431
Albuminous expectoration following thoracentesis.....	Munro.....	577
Albuminuria, traumatic.....	Guillian and Parant.....	403
Albumoses, clinical significance.....		
Alcohol, experiments as to value in infections by in- creasing bacteriolytic power of the blood.....	Allen.....	159
Amboceptors, hemolytic, binding of.....	Wengel.....	385
Amputated extremities, replantation of.....	Yarrow.....	278
Anatomy of the pregnant tube.....	Hare.....	337
Anesthesia, general, in operations about face.....	Morgenroth.....	227
Anesthesin in treatment of inflammatory conditions of external auditory canal.....	Hoepfner.....	609
in treatment of wounds.....		
Anesthetics, local and general*.....	Andrews.....	396
Anesthetizing upper air passages in tuberculosis.....	Ombredanne.....	610
Aneurysm, fusiform, treated by Matas' method.....	Haug.....	450
of the kidney.....	Lengemann.....	109
operation for radical cure based upon arterioraphy.....	Witherspoon.....	371
Angina pectoris, therapy and pathogenesis of.....	Pollatschek.....	631
tonsillaris, relationship to inflammation of vermi- form appendix.....	Morris.....	612
Vincent's, present knowledge of.....	Ziegler.....	221
Angulated colon, role played in intestinal occlusion.....	Matas.....	162
Ankle, congenital luxation of.....	Breuer.....	168
Antipyresis in children.....	Weber.....	106
Antistreptococcus serum, Aronson's.....		
	Conrad.....	580
	Walther.....	110
	Dreiberg.....	664
	Saunders.....	172
	Meyer.....	390

SUBJECT	AUTHOR	PAGE
Antitoxin treatment of tetanus.....		280, 568
Anuria, calculous, diagnosis and treatment.....	Cabot.....	627
Anus, artificial, complications and treatment of.....	Geraud.....	612
Aphthæ and herpes, contracted by drinking milk from cows suffering with foot and mouth disease.....	Brush.....	450
Appendicitis*.....	Nietert.....	151
actinomycotic.....		111
acute, danger of trying to gain interval for operation.....	Editorial.....	483
course of fistulæ complicating.....	Muehsam.....	335
diagnostic value of leukocytosis in.....		106, 162, 390
oxyuris vermicularis as a cause.....		106
pathologic-anatomical ground-work of.....	Lanz.....	489
primary gangrenous.....	Reynier.....	660
some unusual cases of.....	Weir.....	336
Appendix, inversion of and relationship to intussuscep- tion.....	Ackermann.....	333
pathology of.....	Ribbert.....	394
simplicity in dealing with abscess of.....		307
Arteritis obliterans, arterio-venous anastomosis for.....	Pinatelle.....	161
Arthritis, rheumatoid.....	Bishop.....	658
Artificial anus, complications of and treatment.....		612
fertilization of animals.....	Editorial.....	560
Associated movements of head and eyes.....	Posey.....	129
Asthma, adrenalin chloride in.....	Bullowa and Kaplan.....	662
pathology and therapy of.....	Sihe.....	159
Asteriognosis in a case of tabes*.....	Fry.....	535
Astigmatism cured by operation.....	Bull.....	246
Autopsy statistics in childhood with reference to tuber- culosis.....	Editorial.....	267
Axis cylinder in multiple sclerosis.....	Bartels.....	669

B

Babinski reflex, clinical importance and pathogenesis of.....	Specht.....	238
Bacillus of Shiga, relation to summer diarrhœa of chil- dren.....		668
Bacteria, brilliant double stain for.....	Whitney.....	343
elimination of from body.....	Noetzel.....	659
in production of eye inflammations.....	Randolph.....	633
in udder of cows.....	V. Freudenreich.....	616
intracellular toxins of pathogenic.....	Vaughan.....	278
Bacterial light lamp.....	Editorial.....	329
Bacteriologic examination of blood during life in scar- let fever with reference to streptococcemia.....	Hektoen.....	493
Bacteriology and serum therapy of syphilis.....	Fouquet.....	630
of yellow fever.....	Bandi.....	569
Bacterium coli as indicator of fecal contamination of water.....	Petruschky and Pusch.....	437
Banti's disease, case of.....	Kast.....	221
Basedow's disease, epiphora as initial symptom.....	Berger.....	676
disease, respiratory disturbances in.....	Hofbauer.....	487
Becquerel ray, its physiologic-pathologic significance.....	London.....	430
Beitraege zur Kenntniss der anopheles.....	Doenitz.....	392
Bericht ueber die malaria expedition in Deutsch Sued- west Africa.....	Vagedes.....	392
Beverage of virtue, a.....	Editorial.....	654
Bile, agglutinating qualities of.....	Konigstein.....	656
Biological relationship between epidermis and connect- ive tissue.....	Editorial.....	427
Bisaculated hydrocele, three cases.....	Martin.....	609

SUBJECT	AUTHOR	PAGE
Black tongue, case of		242
Bladder, diseases of the and uterine myomas, relation between	Hahn	234
diseases of, pathology and prognosis of		405
diseases of, spontaneous fracture of calculi in	Kapsommer	331
Blastomycosis, case of	Segueira	292
of skin from accidental inoculation	Evans	449
Blind eyes, danger of	Wescott and Pusey	677
Blood in diseases of digestive tract*	Taussig	374
in manic depressive insanity	Fisher	504
pressure determinations in the diagnosis of typhoid fever, value of	Crile	335
vessels, union and transplantation of	Exner	225
Blue electric light, therapeutic use of	Danilow	340
Body temperature in different kinds of feeding of healthy infants	Tiberius	284
Boys' venereal peril	Valentine	447
Brain, abscess of, differential diagnosis of acute and chronic, with encephaloscope	Whiting	581
injury to involving tongue center*	Bartlett and Schwab	647
surgery in epilepsy and congenital mental defects, results of	Spratling	575
Breast feeding, indications and contraindications	Schlossmann	570
Bright's disease, chronic, ocular manifestations in disease, chronic, renal decapsulation for		182 290, 629
Bronchiectasis, pseudo-tubercle bacilli in case of	Milebner	485
Bronchus, removal of upholsterer's tack from		110
Bubo, surgical treatment of	Scadutz	241
Bulbar paralysis and progressive muscular atrophy, relation of	Taylor	575
Bulbous dermatitis, recurrent progressive, in hysteric subject	White	507
Burying ground in relation to public hygiene	Matthes	665

C

Cachexia, fatal without demonstrable anatomical lesion	Grawitz	429
Cæsarean section in eighth month of pregnancy	Kallmorgen	115
section, transverse fundal incision in		234, 496
section, vaginal, the	Bumm	114
Calculus, vesical, caught in suture in Bassini operation	Nossal	566
Cancer of breast, after involvement of supra-clavicular lymphatics, prospect of patient	Kuettner	161
of breast, involvement of internal mammary lymphatic nodes	Clermont	387
of breast, operative possibilities in advanced cases	Pilcher	565
of breast, successfully treated with Roentgen ray	Mikuliez and Fettig	387
of esophagus, etiology of	Wolf	334
of esophagus, thoracic portion	Demoulin	223
of intestine	Mikuliez	160
of mouth and neck, operations for	Crile	86
of omentum*	Matlack	423
of prostate	Editorial	384
of prostate		404, 671
of prostate, selection of cases for suprapubic prostatectomy*	Harrison	413
of rectum, radical cure	Editorial	383
uterine and pregnancy	Recasens	497
Cancerous epithelioma, evidence of nuclear division of certain cell inclusions in	Gaylord	342

SUBJECT	AUTHOR	PAGE
Cancer of pylorus.....	McCaskey	657
Cardiopsis, relation to hepaptosis.....	Einhorn	658
Carcinoma, recurrence of.....	v. Kahlen	111
Casts, absence of in urine of nephritis.....	Treutlein	561
Cataract, absorption treatment and its effects on the eye.....	Wright	296
Catarrhal pneumonia in infants.....	Kerey	399
Catarrhs of skin in relation to catarrhs of mucous mem- branes*.....	Engman	650
Catheterization of ureters.....	Keefe	576
Catgut, sterilizing and preserving, new method.....	Claudius	109
Cerebral softening*.....	Punton	253
Cerebro-spinal fever.....	Griffith	116
Cervix, Bossi's method of dilating.....	Duehrssen	396
Chemistry of oxygen-chloroform narcosis.....	Roth	274
Chloroform collapse, massage of bared heart in.....	Zesas	387
narcosis, prophylaxis in.....	Feilchenfeld	225
Cholelithiasis, internal treatment of.....		230
Cholera vaccine and its method of preparation.....	Strong	495
Chorea and Graves' disease.....	Sutherland	625
in pregnancy.....	Wall and Andrew.....	441
pathological anatomy of.....	Kopezniski	504
rheumatic, antirheumatic treatment of.....	Kobrak	283
Chorion epithelioma in embryoid tumors.....	Steinert	665
epithelioma-like proliferations in the male.....	Steinhaus	343
City Hospital, the.....	Editorial	268
Cleft palate, v. Langenbeck operation in*.....	Bartlett	208
Clinical fiasco, A.....	Editorial	78
Cobra venom, substances activating the.....	Kyes and Sachs.....	164
Colica mucosa.....	von Noorden and Dapper	338
Collodion after nose operations.....	Pischel	179
Congenital defect of abduction associated with retrac- tion of eyeball in adduction.....	Evans	246
dislocation of hip; cause of relapse.....	Bradford	286
dislocation of hip; death following bloodless reduc- tion.....		350
dislocation of radius.....	Powers	501
elevation of scapula.....	Mouchet and Clement.....	625
elevation of shoulder.....	Lowenstein	502
Conjunctiva, tuberculosis of.....	Jackson	676
tumors of.....	Shumway	634
Conjunctivitis, vernal.....	Allport	677
Cornea, certain diseased conditions of.....	Burnham	296
sarcoma of, primary.....	Senefe and Villard	410
staphyloma of, treated by extraction of lens.....		245
Corpus luteum and interstitial ovarian tissues, histol- ogy of.....	Cohn	569
luteum, function of.....	Fraenkel	395
Coryza and hereditary syphilis.....	Carralero	449
Coxa vera, etiology of.....	Froelich	285
Croupous pneumonia in children, temperature in.....	Jennings	285
Cryoscopy, an index of renal insufficiency in surgical diseases of kidney.....	Finker	404
Cyst, pancreatic, traumatic origin.....	Fichler	107
Cystic-fibroma of uterus weighing eighty-seven pounds, removal of.....	Webster	621
Cystitis, acute, pathological anatomy of.....	Motz and Denis.....	446
bacteriology of.....	Longfellow	291
Cystoscopic demonstration apparatus.....	Kutner and Koehler.....	175
examination of naso-pharynx.....	Valentin	245
practice, aids to.....	Valentine	404

SUBJECT	AUTHOR	PAGE
Cytodiagnosis.....	{ Czerno-Schwarza u. }	616
of cerebro-spinal fluid	Bronstein	
of tabes	Schoenborn	444
		288

D

Death from a single vaginal douche.....	Hough	39
Deformity, symmetrical, of both hands and feet.....	Maganini	222
Dementia paralytica, syphilitic, manifestations in.....	Gaucher	403
Dentition, fever of.....	Corson	444
Dermatitis coccidoides.....	Montgomery <i>et al.</i>	177
Dermatology and syphilis, review of progress in*.....	Engman	58
Determination of sex.....	Litkens.....	498
Diabetes insipidus cured by surgical operation.....	Heresco.....	486
vegetable proteids in, value of.....	Schumaf-Leclereq.....	490
Diagnosis of calculi of kidney by radiography.....	Verhoogan.....	123
of calculous anuria.....	Cabot	627
of chronic nephritic processes.....	Schwartzkopf.....	562
of gastro-intestinal perforations.....		224
of hemorrhoids.....	Tuttle.....	193
of multiple sclerosis, ocular examinations as an aid*.....	Green and Schwab.....	537
of syphilis of the eye*.....	Sherer	468
Diarrhoea, summer of children, relation of bacillus of Shiga to.....		668
summer of children, treatment by solutions of gelatin.....	Weill	669
Diazo reaction as means of differential diagnosis.....	Pelzel.....	484
reaction, prognostic value of in pulmonary tuberculosis.....	Wood	331
Digital exploration of rectum in gynecologic practice.....	Neumann	439
Dimethylamidobenzaldehyde reaction as quantitative test for indol in feces.....	Baumstark.....	486
Diphtheria antitoxin, prophylactic use of in school children.....	Calle.....	622
antitoxin, stability of.....	Chiardini	341
bacilli, persistence of in convalescents and presence in healthy subjects.....	Doucart.....	572
causes of death in.....	Kohn	235
serum, new kind.....	Wassermann.....	167
serum-therapy in.....	Comby.....	346
toxin, constitution of.....	Madsen.....	664
Diseases of bladder, pathology and prognosis of.....	Greene and Brooks.....	405
of ear and nose, superheated medicated air in treatment.....	Beck.....	408
Dislocation of hip, congenital.....	Froelich	624
of shoulder, old irreducible.....	Jones	350
Diverticulum of small intestine, inflammation of simulating appendicitis.....	Walther	162
Drainage.....		233
after laparotomy.....	Sippel	233
Dropsy result of inflammation of kidneys treated by laparotomy.....	Planer	356
Duodenum, complete obstruction of due to gall-stones*.....	Tupper	590
Dupuytren's contracture, internal treatment of.....	Leugemann.....	615
Dysentery, ice suppositories in.....	Kayensky	491
Dysmenorrhea, nasal.....	Opitz	633
natural history of.....	Herman	169
pathogenesis and treatment of.....	de Leon.....	170

SUBJECT	AUTHOR	PAGE
Ear complications of typhoid fever	Schumacher	181
Earache, acute, gelato-glycerin bougies in treatment	Richards	180
Eclampsia, excretion of urea in	Edsall	571
renal decapsulation for	Edebohls	405
puerperal, etiology and pathology*	Myer	309
puerperal, symptoms and differential diagnosis*	Ritter	315
puerperal, treatment of*	Hypes	320
Ectopic pregnancy, true and simulated	Kober	396
spleen consequence, of malarial enlargement	Pozzi	611
Ectropion, electro-cautery incision for	Tiffany	678
cicatricial, essential points in operation	Hotz	453
Eczema, modern conception of	Fordyce	406
Emile Javal and "Entre Aveugles"	Editorial	428
Embolie transmission of projections	Schloffer	388
Embolism, pulmonary after fracture of thigh	Gayet	108
Endocarditis, septic	Adams	117
Endometrium in uterine myoma, condition of	Cullen	498
Endoscopy of nose and accessory cavities	Hirschmann	408
Enlargement of peripheral lymph glands in infancy	Baer	118
Enteritis and bacteruria	Janet	241
Entero-anastomosis in treatment of stricture and stenosis of intestine	Prutz	433
Enuresis, therapy of	Zahorsky	367
Epidural injections, technique of	Cathelin	356
Epigastrium, direct percussion diagnostic aid in ulcer of stomach	Mendel	271
Epilepsy	Biro	118
brain surgery in, results of	Spratling	575
cortical cell changes in	Clark and Prout	289
daily rhythm of and its interpretation	Clark	504
dietetic treatment	Balint	351
hereditary factors in	Doran	575
hysterical attacks in		173
stomach phenomena in ¹	Mangelsdorf	670
treatment,		670, 671
Epiphysitis, acute, simulating congenital hip misplacement	Lord	502
Epithelial pearls in lingual papillæ of man	Stahr	164
Epithelioma, cutaneous, treated by iodine		242
of eyelids, treatment by x-ray		128
of nose, cancer of stomach, visceral metastases	Gaucher <i>et al.</i>	579
of tongue, recurrence after twenty years	Guinard	336
of tongue treated with x-ray		244
Epithelioses and epitheliomata, infectious	Borrel	228
Epithelium and tumor formation	Hauser	342
Ergotin in pneumonia	Schoull	113
Erysipelas, cylindruria and albuminuria in	Pollatschek	385
new method of treating	Tregubow	114
of larynx, primary	Koutcherski	674
Erythemata as indications of disease	Galloway	448
Esophagoscopy, its diagnostic value	Storek	485
Esophagotomy, external, for removal of foreign bodies	Gross	235
Esophagus, cancer of thoracic portion		223
carcinoma, etiology of	Wolf	334
spindle-shaped dilatation of	Zinsser	107
Etiology of acne vulgaris	Editorial	270
of carcinoma of esophagus		334
of coxa vera		285

SUBJECT	AUTHOR	PAGE
Etiology of hay fever.....		385, 567
of leukemic diseases.....	Chinclar.....	221
of ozena.....	Freudenthal.....	509
of pertussis.....	Reyher.....	669
of puerperal eclampsia.....		309
of simultaneous development of influenza and typhoid fever.....	Slotkind.....	485
of sleeping sickness.....	Castellani.....	438
of tabes.....	Leyden.....	352
of yellow fever.....		494
